

SECU0050 Project assessment

Concept draft template

Use this template to submit your concept draft for the project assignment.

Work submitted before the deadline (9 March, 4 pm) will be read by us and we will give you feedback.

Answer each of the parts below in a few bullet points or 2-3 sentences.

Title of your project

(Write your title here)

What is the core research question you are answering?

(use bullet points or 2-3 sentences)

Which kind of data are you using?

(use bullet points or 2-3 sentences)

How will you obtain the data? Did you encounter any problems with that?

(use bullet points or 2-3 sentences)

How do you intend to model linguistic properties of the text?

(use bullet points or 2-3 sentences)

What does the analysis you planned look like?

(use bullet points or 2-3 sentences)

Which parts are you struggling with and how have you tried to solve them?

(use bullet points or 2-3 sentences)
